To Whom It May Concern:

RE: CBA'S INTERVENTION IN CHEVRON CASE

We write to advise you that the Steering Committee of the Law Union of Ontario is urging all of its members to resign from the CBA as a result of your intervention in *Chevron Corporation, et al. v. Yaiguaje, et al* at the Supreme Court of Canada.

Your intervention flies in the face of any concern for the environment; your stated commitment to access to justice; your own members' objections; and our profession's ethic requiring us to act in the public interest, unless acting for a party to litigation.

Sincerely,

FER · Law Union of Ontario - Steering Committee
